VALUE BRANDS OF THE YEAR

### MEZZACORONA

**What:** A consistently reliable source for varietal wines, whether you're looking for a traditional Italian pinot grigio or an affordable pinot noir.

**Standout:** The 2003 Teroldego Rotaliano Riserva (\$15) offers a taste of this indigenous grape, its pleasantly bitter-edged berry flavors available at an affordable price.

**Where:** Trentino, in the low-lying plains of the Italian Alps.

**When:** The lean, light Teroldego makes for a tasty quaff at a party; the clean, citrusy 2005 Vigneti delle Dolomiti Chardonnay (\$9) is a bargain for anytime drinking.

**Importer:** Prestige Wine Imports, New York, NY.
